I, Jude Sackey, pastor of First Love Church, Ndola write this letter to the administration of NORTEC humbly requesting that First Love Church be allowed to hold weekly meetings as a registered fellowship on your prestigious campus.

First Love Church is a charismatic church which was founded by Bishop Dag Heward-Mills in Accra, Ghana in the year 2012. Since then, the church has grown and spread into over thirty countries and counting on every continent. In Zambia, First Love Church began in 2018 and currently has branches in eight cities including Kitwe, Lusaka, Chingola, Livingstone, Luanshya, Kabwe, Kawama and Ndola. Within NORTEC, First Love Church has had over fifty members and counting.

Any additional information or in-person meetings required by the school authorities to facilitate the registration of the fellowship in the school will be provided upon request. We are looking forward to a fruitful and long-lasting relationship with you. Thank you.
